# ROXX

NATURAL TECHNOLOGY

Searching for a benchtop that combines beauty with performance? *The answer is Roxx.*

Roxx combines the latest in technology with all the beauty nature has to offer. A blend of natural granite and quartz with resin binding technology, Roxx is a unique product crafted to the highest of standards in New Zealand. In many ways it is the perfect marriage of nature and innovation.

#### **Roxx is as flexible as your imagination!**

**So why settle for anything less than the full package?**

Beauty and performance can be yours with Roxx. It is as smart as it looks! Use it in your home for kitchen benchtops, bathroom vanities, bar and table tops – the design possibilities are as broad as your imagination. With no visible joints and a broad range of colours to choose from, Roxx makes creating your dream kitchen a reality. Supported by a ten year warranty, Roxx is available through Nover's nationwide network of registered fabricators.
